Sanctions the proposals referred to in Sl 1

Indexed
KCR

In his first tour extending over 7 months his Exhibitor is reported to have realized an average monthly income of Rs. 30/ from admission fees varying from 6 pies to 2 Anas the Scale in his note of the 30th Sept-/98 has suggested that (1) the Exhibitor may be taken into the temporary service of the State on a fixed salary of Rs 50/ a month, (2) attached to the Inspector of Schools and (3) made to hold Exhibitions without charging any fees

Note 3(a)

(1) In Sept last the D.P.I. recommended a months grant of Rs 40/- for 8 months in the year to one Krishnaswamy Iyengar a Professional Exhibitor of magic lantern, and added "that such useful work may be continued until the Inspecting Officers themselves become accustomed to the use of the lantern"

On the 1st Connection wanted to know what the cost of a magic lantern with an assortment of slides would come to. This info was called for in this Office Docket No 4593/Edl 168 of 6th Oct 98 for which the present communication is the reply

The Inspr wishes to say that Rs 150/- will provide a lantern & about 100 Edl slides & that these will be established in connection with the Educational Library

The funds are available from the provision for the Edl Library

As regards the provision of Rs 1000/- made for the Educational Library

a question was recently raised by the 1st Committee as to how much of it was being utilised every year

The reply to the above, recd. from the Insp. Genl (No 3428/129 of 27th Septr put up) is not clear. He does not say how much of the provision is utilised & how much has lapsed

The 1st Cr wanted to see the Library before settling the matter of the above letter

What may be inferred from the reply is that the annual provision is in excess of actual requirements

Accordng to the Insp. Genl. the aggregate cost for providing the 9 Dy Insprs, 5 Asstt Dy Inspts & also the 3 Normal Schools with Lanterns & Slides would come to Rs 2550/-

I think we should ascertain the views of the Director of Public Instruction before we take any action in the matter. The Director is now on tour in the Kolar District and will return to Bangalore on the 6th instant. I will address him on the subject on that date.

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 2988/110

Mysore, Bangalore, 21st September 1897

From

H J BHABHA, ESQ.,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

I have the honour to inform you that at the request of Mr. M Srinivasa Rao BA Deputy Inspector of Schools Mysore District South I lent the use of the Magic Lantern and slides belonging to the Educational Library to Mr D Krishnaswamiengar a professional exhibitor for the purpose of exhibiting the slides which chiefly relate to geographical and other educational subjects to school children. The Deputy Inspector took him along with him on his tour of inspection from February last & a tour extending over seven months he travelled 700 miles and gave magic lantern exhibitions in 82 schools to more than

3

4300 pupils and 2000 adults connected with the school children or living in the neighbourhood of the schools. Fees varying from 6 pies to 2 annas were charged for admission, but girls and their relatives and Panchama pupils with their relatives were admitted free From these fees the exhibitor realised an average monthly income of Rs 30 The lantern exhibitions have been a source of instruction and pleasure to school children and have become far more popular than I expected. The Headmasters of the schools in which the exhibitions took place speak enthusiastically of the instruction imparted in a pleasant form and request that the exhibitions may be always given in future at the visits of the Inspecting officers. I intend in course of time to provide a lantern with an assortment of educational slides for the use of each Inspecting Officer. But at present most of them are not used to manipulate a lantern. I request therefore that Government will be pleased to sanction a grant-in-aid of Rs 40 a month for eight months in the year as a remuneration to M^r D^r Krishnaswamiengar

grant-in-aid seems to be a misnomer in this case

from the Village School Fund, so that the useful work of giving the exhibitions commenced in Mysore District South may be continued in other Districts until the Inspecting Officers themselves become accustomed to the use of the lantern - No travelling allowance will be paid, and it may be made a condition that the monthly grant will not be paid unless the Deputy Inspector of a District certifies on the grant-in-aid bill that Krishnasamengar was out on tour in his district for not less than twenty days in the month

2 The amount required for this year will be Rs 320 which may be sanctioned from the savings of the Village School Fund Budget, a similar amount being provided in future budgets for a few more years under the head of Grants-in-aid

I have the honour to be,
Sir,
Your most obedient servant,
H. Bhabha
Inspector General
